### Round chafer stainless steel with food pan, water pan, rolltop lid and stand

With the strong, stylish chafer by Pujadas, it's easy to keep your food items at perfect serving temperatures. Made of stainless steel, this chafer provides impressive durability, longevity and heat distribution. The round food pan offers plenty of capacity for a variety of menu items, and the easy-to-use rolltop lid traps heat, recycles condensation for superior results and opens up to 180° for smooth serving. The stand ensures stability, while the curved legs, rounded top and sleek handle create a timeless presentation. With one center burner, this chafer promises even heating. Its versatile design is popular among catering operations, buffets, hotels and more.
