## Mini casserole 16 cm

This mini round casserole is crafted from high-quality stainless steel and designed for elegant individual servings. With its compact format and two side handles, it offers secure handling and a refined presentation for appetizers, small portions, sauces, or tasting dishes. The hammered interior enhances its premium look, while its durable construction ensures long-lasting performance in both buffet and kitchen environments.

### Features & Benefits

- 16 cm mini casserole
- Ideal for individual portions and tasting presentations
- Durable stainless steel construction for long-lasting performance
- Two side handles offer a secure, comfortable grip
- Hammered interior adds a premium, sophisticated aesthetic
