## M180

### Great capacity and low power consumption

Vestfrost Solutions' innovative M series glass door cabinets are the perfect choice to display your products. Available with ECO mode function together with the optimized cooling system and hydrocarbon refrigerants save energy and reduces your carbon footprint. Integrated LED light in the door frame offers full exposure of the stored contents while still maintaining a low operational cost. The flexible and robust steel shelves can easily be adjusted to fit your products.

 **Eco mode available**
